Rising Stars: New Work in Furniture

Join us in our Exhibition Gallery for the Opening Reception of Rising Stars: New Work in Furniture

Friday, October 5 from 5 - 7 pm
49 South Main Street, Concord, NH

See a collection of work by six talented young designer makers from New England. This exhibition features furniture as well as other smaller scale items they make and sell as part of their businesses. A strong design background is evident in each of them and it is something that will serve them well into the future.

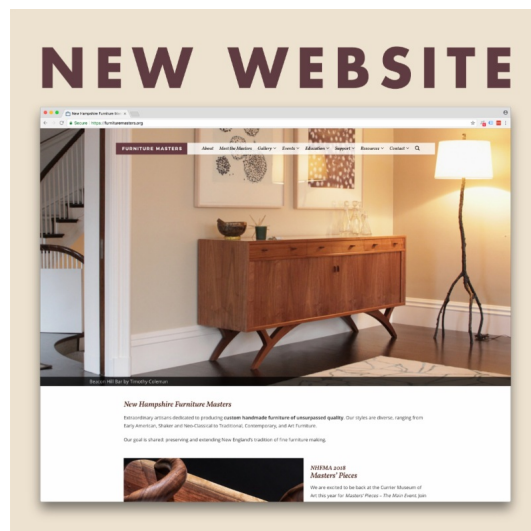

You will also see "Portrait of the Artist" by Abba Cudney, Winner of the 2018 People's Choice Award at the Furniture Masters' Main Event. Abba was one of six New Hampshire Institute of Art students who participated in a summer mentorship with members of the Furniture Masters. This is her response piece to Furniture Master Ted Blachly's Swiss Pear Wood Bench. Click to [learn more](#) about this exhibition.

Have you seen our new website?

At the beginning of September we launched a new website!

It has a ton of great features including individual bios of each master under the [Meet the Masters](#) tab and an impressive filterable [Online Photo Gallery](#) to browse the breadth of fine custom furniture we can create.
